Plant Order Terms & Conditions

Collection of Orders

- *For plant orders of less than 200 plants, please bring your own trays or suitable containers when collecting your order.*
- *Trays not returned within 14 days of collection (unless otherwise agreed) will incur a fee of \$8.00 per tray.*
- *We encourage customers to return forestry tubes and pots, as these can be sanitised and reused for future plant production.*

Holding of Plant Orders

- *Plant orders will be held free of charge for up to two (2) months from the agreed collection date.*
- *Nursery stock requires ongoing care and maintenance, including watering, weeding, fertilising and pest management. To help cover these costs, a holding fee of 3% per month will apply to orders remaining uncollected after the initial two-month period.*
- *If an extension is required, customers must notify us and make prior arrangements before the end of the two-month holding period. Where an extension has been pre-arranged and approved, the holding fee may be waived or varied at our discretion.*
